URGENT CARE

Veterans enrolled in VA health care can use over 4,000 urgent care locations.

Care is available to treat non-life threatening conditions.

When to choose VA urgent care:

- If you're a Veteran enrolled in VA health care, and
- You received care at a VA or in-network provider sometime in the past 24 months.
- VA and in-network urgent care providers can meet many of your health care needs. They may be able to provide some diagnostic tests, like certain blood and urine tests.
- You can often get care for minor illnesses or injuries much faster than in an emergency room.

When using urgent care at a community provider:

You can also show the card on your mobile device.

What do to when you arrive at a community urgent care provider:

- Confirm that the provider is in VA's network. If you go to an out-of-network urgent care provider, you may have to pay for the full cost of care.
- Show your VA Health Identification Card and fill out the provider's intake form.
- Tell the provider you want to use your VA urgent care benefit. Show the provider your urgent care assistance card if requested.
